TANZANIA — A BUILDING & CONSTRUCTION MARKET ON THE MOVE

Tanzania continues to record growth and development across **Building, Construction, Infrastructure, Transportation, Industry, Housing and Urban projects**, generating demand for **Building Materials, Machinery, Equipment and Construction Technologies**.

BUILDING & CONSTRUCTION SECTOR GROWTH

Tanzania's building & construction activity recorded **6.5% growth in the third quarter of 2025**, compared with **3.9% in the corresponding quarter of 2024**.

Growth was supported by increased construction activity and local production of construction materials including cement, iron and steel.

TANZANIA'S INTERNATIONAL TRADE

Dar es Salaam Port handles approximately **95% of Tanzania's international trade**, reinforcing Dar es Salaam's position as the country's principal commercial, import and distribution centre.

MAJOR INFRASTRUCTURE DEVELOPMENT

Ongoing development across rail, roads, utilities and other infrastructure continues to create requirements for construction products, machinery, engineering systems and related technologies.

Tanzania Railways Corporation is developing the country's Standard Gauge Railway network, while continuing road and infrastructure projects contribute to construction demand across multiple sectors.

OPPORTUNITIES ACROSS

- Residential Development
- Commercial Construction
- Roads & Infrastructure
- Industrial Projects
- Hotels & Hospitality
- Factories & Warehousing

WHY DAR ES SALAAM?

Dar es Salaam is Tanzania's principal commercial and trading centre and home to an extensive network of contractors, developers, importers, distributors, architects, engineers, consultants, industrial companies and professional buyers.

Its established trade and logistics infrastructure makes the city a natural meeting point for companies supplying Tanzania's building and construction market.

ABOUT TANZANIA BUILDCON INTERNATIONAL EXPO

Tanzania Buildcon International Expo 2027 is a dedicated international B2B trade exhibition connecting manufacturers, exporters and suppliers of building and construction products with the professionals responsible for buying, distributing, specifying and using them.

Taking place from **25-27 August 2027 at Diamond Jubilee Hall, Dar es Salaam**, the three-day exhibition provides a focused environment for companies to:

- Introduce products to the Tanzanian market
- Identify importers, distributors and agents
- Reach architects, engineers and consultants
- Demonstrate new products and technologies
- Meet potential buyers and business partners
- Connect with contractors and developers
- Generate new business enquiries
- Develop long-term market relationships

WHO SHOULD EXHIBIT?

- Manufacturers
- Exporters
- International Suppliers
- Tanzanian Manufacturers
- Importers & Distributors
- Construction Machinery Companies
- Building Material Companies
